Planning

- [Search For a Planning Application](#)

Searching for applications

There are options to search by planning reference number, location, proposal description, Applicant Surname/Company name, Date registered, Decision Date, Appeal lodged date, Appeal decision date, Area Team and Ward (note that the Final Date Granted field will not work and is to be removed).

A combination of fields can be used in a search. The example below is looking for appeal decisions involving a flat made between 01/01/2006 and 31/12/2006 for Chase ward.

Search Results

All applications found that match the search criteria will be displayed as a list (see below). The number of matching records will also be displayed. To access application detail click on the application reference number link.

To access an application click on the reference number link.

You are advised not to use the Web Browser back button to return to the previous search page. Instead you should use the links at the top of the page for navigation. These include an option to return to the Search Results after viewing an application (see below).

Home > Search Criteria > Search Results > Application Details

Note that if you click on the Enfield Council logo at the top of each page you will be returned to the Council's homepage.

Planning Application Search Results

Based on your search criteria we have found 107 matching records.
