

Fresh Start

Are you in temporary accommodation?

Are you in social rented accommodation that no longer meets your needs?

You might like to consider Fresh Start

See overleaf for more information

www.enfield.gov.uk

Enfield Fresh Start Scheme can help you to move quickly to a home of your choice.

You Choose:

The Area

- Inside Enfield
- Outside Enfield

The Property

- Near your child's school
- Near friends and family
- With or without a garden

Renting privately means you may only have to wait a few weeks for a home of your choice.

Consider these facts:

Less than 900 social rented homes become available each year for letting. Only a small percentage of these are larger homes.

If you are living in temporary accommodation then you may have to wait many years before you are offered a more suitable home. Most people wait:

- 5-6 years for a two bedroom social rented home
- 10-12 years for a three bedroom social rented home.

For more information about the scheme call the Fresh Start Hotline on
