

STATEMENT OF COMMON GROUND

BETWEEN

ENFIELD COUNCIL

AND

HEALTHWATCH ENFIELD

In respect of Enfield Council's Edmonton Leaside Area Action Plan (2017) (ELAAP)

This Statement of Common Ground has been prepared to identify areas of agreement (or disagreement) between Enfield Council and Healthwatch Enfield on matters relating to the Council's Submission Edmonton Leaside Area Action Plan (2017).

Issue (Document Order)	Representation Ref. No
Chapter 1 - Objectives	17, A
Not specified	17, B
Chapter 5, Policy EL5	17, C
Not specified	17, D

Notes on agreed amendments:

1. **Bold underlined text indicates an addition to the ELAAP text**
2. ~~Strikethrough text indicates a deletion to the ELAAP text~~

Areas of Agreement:

Chapter 1, Objectives	17, A
------------------------------	--------------

Both parties agree that health and wellbeing is critically important to creating a successful new neighbourhood within Edmonton Leaside and that the 6th bullet point of Objective 1 should be amended as follows:

- **Enhance health and wellbeing through enabling healthy lifestyles and ensure** ~~Ensure~~ *that everyone has good access to health, leisure and community facilities of a high standard within ~~close~~ proximity to their home;*

Not Specified	17, B
----------------------	--------------

Both parties agree that the AAP should require development proposals to deliver a 'Healthy Streets Approach'. Policy EL12 'Public Realm at Meridian Water' will include an additional 4th bullet point:

- **Demonstrate how the 10 indicators of the Mayor's 'Healthy Streets Approach' will be met;**

Policy EL25 'Design of the Road Network' will include additional text as follows:

*The arrangement of streets and places within Meridian Water should be guided by an urban design approach which incorporates sufficient capacity to meet demand and also encourages sustainable travel through a high quality environment. **The design process must incorporate the Mayor's 'Healthy Streets Approach'.***

Chapter 5, Policy EL5	17, C
------------------------------	--------------

Both parties agree that that appropriate modern healthcare facilities must be delivered as development progresses at Meridian Water taking account of the changing pattern of delivery of health and care services and in support of the 'enhance health and wellbeing' objective. Policy EL5

requires that delivery of health facilities is on the basis of housing proposed and makes clear that the facilities must be in accessible locations.

Not Specified	17, D
---------------	-------

Both parties agree that Health Impact Assessments will be carried out as required to inform the planning process as major development proposals are brought forward.
