Dear Jacqui

EDMONTON LEESIDE AAP EXAMINATION

In response to your letter of 22nd May, please find attached an updated Document Library which includes the following documents with links:

- London Industrial Land Demand Study 2017
- London Industrial Land Supply and Economy Study
- Strategic Housing Market Assessment 2017

Enfield's most recent Strategic Housing Market Assessment (SHMA) is the 2015 document included the Documents Library and linked to the website; the Background Document should have shown the year as 2015. Enfield's most recent Affordable Housing Economic Viability Study was completed in 2009; again the Background Document did not show the correct year.

I note the Inspector's concerns over the Background Document list as originally submitted; my preference would be to supersede this with the Document Library going forward, if this is acceptable to the Inspector.

Yours sincerely,

James Gummery
