

# **PUBLIC NOTICE**

## **LONDON BOROUGH OF ENFIELD**

**Road Traffic Regulation Act 1984 – Section 14(2)**

### **CONDUIT LANE N18**

### **TEMPORARY RESTRICTION OF TRAFFIC**

1. The Council of the London Borough of Enfield HEREBY GIVES NOTICE that in connection with essential highway works in Meridian Way, vehicles travelling in a westerly direction in Conduit Lane, upon reaching its junction with Montagu Road and Kenninghall Road, will be temporarily compelled to proceed ahead into that length of Montagu Road which lies immediately west of that junction unless they are turning left from Conduit Lane into Kenninghall Road.

2. The restrictions will come into operation on 11 November 2019 and will continue in force by virtue of this Notice and whenever it is indicated by traffic signs, for not more than 5 days.

3. It is necessary for the above compulsory movement of vehicles to come into force without delay because of the safety and congestion implications to adjoining residential areas if vehicles are permitted to leave the designated diversion route by entering the northern section of Montagu Road from Conduit Lane.

4. The provisions will only apply when the appropriate traffic signs are displayed.

5. If the works cannot be completed by 15 November 2019, the Council intends to make a temporary order under section 14(5) of the Road Traffic Regulation Act 1984, as amended, so as to continue in force the provisions of this notice for a further period of time.

6. Whilst the prohibition remains in force, the diversion route for vehicular traffic will be ahead into Montagu Road in a westbound direction, then via Angel Road N18, A406 Sterling Way N18, A10 Great Cambridge Road, A110 Southbury Road EN3 Hertford Road, Nightingale Road and Montagu Road.
