When will the event-day controlled parking zone (CPZ) operate?

The CPZ will only operate between the hours of 12 noon and 9 pm on event days at the Stadium – you won't need a permit to park at any other time.

When do the new parking restrictions start?

The best option is to apply online, selecting the South Edmonton Event Day CPZ from the list of permits.

What if I can't or don't want to apply online?

Applying online is the quickest and most convenient way of obtaining your permit. However, if you don't have access to a computer, you can visit the Crown Road Vehicle Park in person, but please remember to bring the necessary supporting documents:

Will you send a reminder to let me know when the permit is due to expire?

No, the expiry date will be shown on the permit, and you will need to apply for a new permit after three years.

How many residents' permits can I have?

Permits will be vehicle-specific, and one can be provided for each vehicle registered at your address in the zone, up to a maximum of three per applicant.

What should I do with my permit once I've got it?

Your permit should be clearly displayed in your front windscreen so that all information is clearly visible from the outside of the vehicle.

What happens if I change my vehicle(s)?

A new permit will be issued free of charge when a vehicle is changed either temporarily or permanently, as long as the existing permit is returned. Applications for changes must be made in writing, enclosing proof of new vehicle ownership.

What happens if my permit is lost or stolen?

A new permit will be issued free of charge if you provide either a crime reference number from the Police or written confirmation of the loss from your insurer.
