

"What is my young person going to do when they transition into Adult Health & Social Care?"

Transition Journey into Adult Health & Social Care

"Do I have to pay?"

Angel Community Centre

Raynham Road, Edmonton, N18 2JF

22nd October 2025

10.00am – 2.00pm

Are you looking for the answer to these questions and more? Come along this event and you will be able to meet a number of providers who can support young people with disabilities. Talking to these providers will help you and your young person to think about what they would like to do in the future and who they would like to support them in adulthood.

There will be some presentations and young people will speak about how they spend their days. This will be followed by a relaxed, market-place event. Everyone is keen to make sure you have the information you need to help your young person transition into adulthood with the right support in place.

You will be able to talk to day service providers, adult health and social care and the voluntary sector. NHS colleagues will be there to advise you about health in adulthood including GP annual health checks and other support available.

You will also be able to sign up for 1:1 transition support at our transition drop-in.

No need to book.

10:00 - 10:30	Registration and Coffee	
10:30 - 11:00	The transition process, eligibility criteria and support planning	Sarah McLean Tania Sanger Laurine Dyer
