

All About Us – September 2022

Dear All About Us Groups

I hope you all had a good summer break.

First of all, thank you to those of you who were able to respond to the consultation about things that could be better or different for children and young people with SEND in Enfield. This information is being used to inform the Council's ongoing and future work, including developing the new SEND Strategy and Action Plan.

Some of you will have also completed our questionnaire about things you like to do in your free time. The top activity was swimming. We are pleased to announce that as a result of your feedback, Fusion Leisure are starting **weekly disability family friendly swim sessions at Edmonton Leisure Centre in the teaching pool**. The first session will be on **Sunday 11th September between 11am – 12pm** and then **every Sunday**. The sessions will cost £3 for either an adult or junior.

This term the projects we would like you to help us with are:

PROJECT 1 – INFORMATION LEAFLET

We would like you to help us develop information and a leaflet for young people with SEND who are “Preparing for Adulthood”.

We have put together the attached leaflet. Please can you look at this at your next meeting. We would like to know:

- Do you like this leaflet?
- Did you find the information helpful?
- What could we do to make it better?

Please can you ask your teacher/group leader to email me with your comments and suggestions by Friday 30th September – sarah.mclean@enfield.gov.uk.

PROJECT 2 - VIDEO

We want to make a video about All About Us to put on the Local Offer website.

Please discuss with your teacher if you would be happy for us to come and video you at your next meeting as you review the Preparing for Adulthood Leaflet, or choose a logo for the group.

If you would like to be involved in making this video, please ask your teacher to email me by Friday 16th September 2022 on sarah.mclean@enfield.gov.uk.

PROJECT 3 – LOGO

We still need a logo so everyone knows who we are. Unfortunately no suggestions were received last term, so please can you take a look at the following suggestions and vote on the one you like the best, or even better, design one yourselves.

Thank you for all your support, and I look forward to hearing from you all soon.

Kind regards

Sarah
