

**Autumn Term 2023**  
**Update and New Projects**

Welcome back after the Summer Break. I hope you all had a good time.

Hopefully your teachers will have shared the [film](#) that many of you helped us to make last year. You can find it on the Local Offer. We hope that the film will encourage other schools and young to get involved with All About Us.

**Tell us what you think, and any changes or improvements you would like to see in Enfield.**

Mirjan Dharmo is the Head of Service for the Joint Service for Disabled Children. He is keen to hear what young people like about Enfield, and what improvements you would like to see.

He recently visited the All About Us Group at the SEND Youth Club. The young people there told him they wanted more activities, more room and another day. Miri will be looking into this to see if this is something that we can work with you to do.

He would love to come and visit your All About Us group and hear from you, so why not invite him to attend your next meeting. You can invite him by emailing [sarah.mclean@enfield.gov.uk](mailto:sarah.mclean@enfield.gov.uk)

We look forward to hearing from you.
