

## Schools and Children's Services

|                                                                                                   |                                                                                                                                             |
|---------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| <a href="#">14 to 19 diploma</a>                                                                  | Statistics on the participation and achievement of pupils taking the 14 to 19 diploma qualification.                                        |
| <a href="#">16 to 19 attainment</a>                                                               | Statistics on the attainment of 16- to 19-year-olds in England, including exam results and performance tables.                              |
| <a href="#">Adult further education outcome-based success measures</a>                            | Experimental statistics on employment and continued education of adults finishing funded further education training between 2011 and 2014.  |
| <a href="#">Admission appeals</a>                                                                 | Statistics on appeals against admission decisions in primary and secondary schools.                                                         |
| <a href="#">Childcare and early years</a>                                                         | Childcare arrangements for all ages and early years provision for children who are 5 years of age or younger.                               |
| <a href="#">Child death reviews</a>                                                               | Statistics on child deaths which child death overview panels have reviewed.                                                                 |
| <a href="#">Children's social care workforce</a>                                                  | Statistics on children's social workers employed by local authorities.                                                                      |
| <a href="#">Children in need</a>                                                                  | Statistics on children referred to and assessed by children's social services.                                                              |
| <a href="#">Destinations</a>                                                                      | Statistics on educational or employment destinations of key stage 4 and key stage 5 students.                                               |
| <a href="#">Early years foundation stage profile</a>                                              | Statistics on early years foundation stage profile assessments including breakdowns by pupil characteristics.                               |
| <a href="#">Education and training</a>                                                            | Statistics on education and training in the UK, including schools, post compulsory education, qualifications and education expenditure.     |
| <a href="#">Exclusions</a>                                                                        | Statistics on pupils who are excluded from school.                                                                                          |
| <a href="#">Fostering</a>                                                                         | Statistics on the number of notifications of private fostering arrangements in England in 2010 to 2015.                                     |
| <a href="#">Further education: advance learner loans</a>                                          | Statistics on topics related to further education, including advanced learner loans and learner participation, outcomes and qualifications. |
| <a href="#">Further education and skills: learner participation and qualifications collection</a> | Further education and skills data reported for January 2014 to present.                                                                     |
| <a href="#">GCSEs (key stage 4)</a>                                                               | Statistics on key stage 4 results, including GCSEs.                                                                                         |
| <a href="#">Higher education graduate employment and earnings</a>                                 | Experimental statistics on longitudinal education outcomes showing university graduate earnings and employment.                             |
| <a href="#">Key stage 1</a>                                                                       | Statistics on national curriculum assessments at key stage 1 and phonics screening check results.                                           |
| <a href="#">Key stage 2</a>                                                                       | National curriculum assessments and review outcomes at key stage 2 (KS2), including measures of progress between key stages 1 and 2.        |

|                                                            |                                                                                                                                            |
|------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <a href="#">Key stage 3</a>                                | Statistics on national curriculum assessments at key stage 3.                                                                              |
| <a href="#">Local authority/school finance data</a>        | Statistics on local authority and school spending on education, including academies and children and young people's services.              |
| <a href="#">Looked-after children</a>                      | Statistics on children under local authority care at national and local authority level.                                                   |
| <a href="#">National achievement rates tables</a>          | National achievement rates tables (formerly success rates) for apprenticeships and education and training.                                 |
| <a href="#">NEET</a>                                       | Young people's participation in education, employment and training and those not in education, employment or training (NEET).              |
| <a href="#">Neighbourhood (absence and attainment)</a>     | Statistics on residency-based school absences and attainment data for pupils by gender, free school meal eligibility and ethnicity.        |
| <a href="#">Participation rates in higher education</a>    | Statistics relating to participation rates in higher education (HE).                                                                       |
| <a href="#">Performance tables</a>                         | Statistics on the attainment of primary, secondary and post-16 pupils.                                                                     |
| <a href="#">Pupil absence</a>                              | Statistics on overall authorised and unauthorised pupil absences by school type, including persistent absentees and pupil characteristics. |
| <a href="#">Pupil projections</a>                          | Statistics on national projections for the number of pupils in schools by type of school and age group.                                    |
| <a href="#">School and pupil numbers</a>                   | Statistics on the number and characteristics of schools and pupils.                                                                        |
| <a href="#">School applications</a>                        | Statistics on secondary and primary school applications, including details of offers parents receive on National Offer Day.                |
| <a href="#">School capacity</a>                            | Statistics on the numbers of filled and unfilled primary and secondary school places in England, including forecasts of pupil numbers.     |
| <a href="#">School workforce</a>                           | Statistics on the size and characteristics of the schools' workforce in state-funded schools.                                              |
| <a href="#">Secure children's homes</a>                    | Statistics on secure children's homes, including the number of children they accommodate as of 31 March each year.                         |
| <a href="#">Special educational needs (SEN)</a>            | Statistics on pupils with SEN, including information on educational attainment, destinations, absence, exclusions, and characteristics.    |
| <a href="#">Teacher training</a>                           | Statistics on initial teacher training recruitment, allocations and performance data.                                                      |
| <a href="#">Widening participation in higher education</a> | Statistics on the participation of young people in higher education including their social background and occupation after graduating.     |
| <a href="#">Youth cohort study</a>                         | This series brings together all statistical releases relating to the youth cohort study.                                                   |
