Public Consultation

To hear more about the proposed housing development on 263 Bullsmoor Lane

ZED PODs and Enfield Council would like to invite you to give your views on the proposed development at 263 Bullsmoor Lane. The event will take place online, on the **16th March at 5–7pm**. A link has been provided at the end of this newsletter which will take you to the online event, we are very much looking forward to hearing from you. If you cannot make the event, but still wish to give your views, please use one of the various methods detailed at the end of this newsletter.

This development is part of the London Borough of Enfield's ambitious target to build around 3,500 new homes over the next 10 years and aims to deliver innovative housing by unlocking potential within underutilised sites. It aims to create added value for existing residents with improvements to public areas and external landscaping. Enfield also aspires to create sustainable developments through energy efficient design.

- 3 Existing Access (Pedestrian & Cyclists)
- 4 Street Front Landscaping
- a Proposed Play Areas

Greenbelt

The scheme seeks to utilise the site next to the New River, to provide high quality houses set within new landscaping — thus delivering an excellent solution to making efficient use of land, providing private parking on site, contributing to the challenge of delivering sustainable low carbon and highly energy efficient housing, and contributing to meeting local housing need. It is a pioneering environmental and socially focused development which will deliver much needed living space for individuals and families in need of affordable housing.
