

## Call for sites submission form

As part of the plan making process the Council is undertaking a further 'Call for Sites' inviting anyone with an interest in land, potential sites and broad locations for development to submit these to us for consideration. We especially want proposals to come forward for industrial and logistics use (including industrial intensification) and Gypsy and Traveller needs in the built-up areas of Enfield.

The Council not only wants to be able to identify the land or buildings, but we also want to be able to understand the schemes that are being proposed. This will help us to assess the capacity and deliverability of such sites, and whether they are available, suitable and viable. These sites will then be assessed and if deliverable will be consulted upon in the next stage of the Local Plan.

Please complete a submission form for each individual site you are submitting and include a site location plan (preferably an OS Map), clearly showing the boundaries of the site outlined in red (or otherwise clearly marked). The map should show at least two named roads, to ensure that the site can be correctly identified. A postcode would also help to locate the site, even where this relates to adjacent land or buildings.

In terms of the size and capacity of proposed sites:

- Sites promoted for residential uses should be capable of delivering five or more residential dwellings and/or should be at least 0.05 hectares in size;
- Sites put forward for employment use should be at least 0.25ha or capable of delivering at least 500sqm of employment floorspace;
- Sites put forward for Gypsy and Traveller pitches should be at least 0.3 ha or capable of accommodating at least 6 pitches.

Responses will be accepted on an ongoing rolling basis. However, where sites are received after work on a Housing and Economic Land Availability (HELAA) update has already commenced the Council will only include sites within the subsequent HELAA update unless there are exceptional circumstances.

Submissions cannot be made anonymously, so please provide your full name and contact details.

**Please note that sites will be made publicly available through the HELAA and representations may be made publicly available.**

Please complete to your knowledge a separate form for each site and return by email to: [localplan@enfield.gov.uk](mailto:localplan@enfield.gov.uk) quoting 'Call for sites' in the subject field.

If you do not have internet access, you can post your response to:
