

# Feedback form for the residents of Honiton, Newton, Ashcombe and Tiverton Houses

Dear Resident,

Could you please fill the form below to to give your opinion on the current proposal.

Name

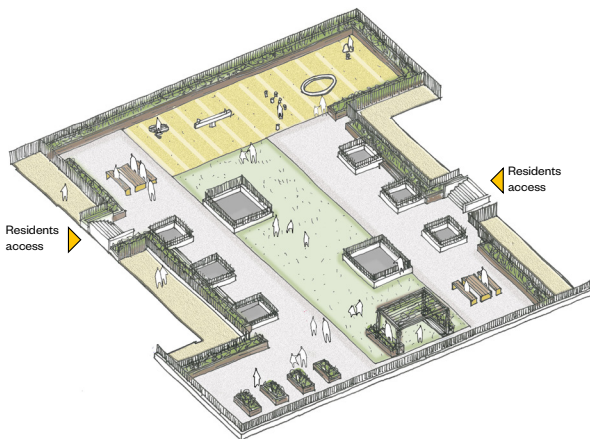

Address:

Your phone number (so we can contact you)

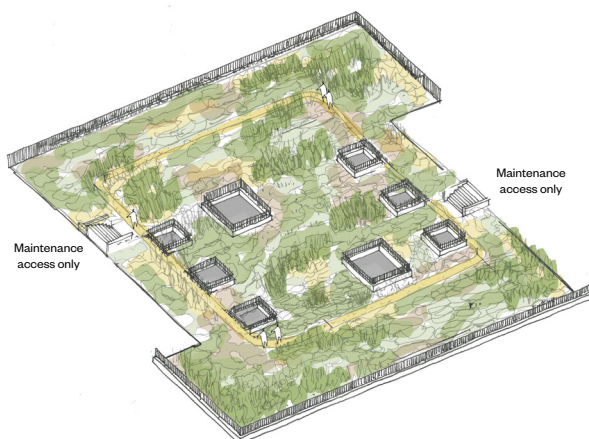

Email

We have good experiences improving podium spaces for residents on other estates and would value your feedback on future improvements to your podium. These spaces will be made secure with controlled access only from the adjoining towers. What types of features would you like to see as part of your podium improvements? The following images are examples of how the space might look and are subject to planning approval, cost viability and detailed design.

Below, there are two options looking at the podium roof, please tick your favourite.

Amenity space for tower residents only

Green roof with no residents access

**Would you prefer something else? Let us know in the feedback form on the back of this page.**
