**24 August 2022**

Dear Neighbour

**Date correction: Resurfacing works on A406 Bowes Road, junction with Wilmer Way: from 30 August – 01 September for 3 nights**

You will have received a letter previously about resurfacing works to the junction at A406 Bowes Road and Wilmer Way. Please note, works will now begin on 30 August for 3 nights from 22:00 – 05:00 and not the dates previously stated.

This work will be carried out overnight to lessen the impact on traffic during the peak hours and will also require a traffic diversion in order to allow contractors to complete the work safely.

**How our works may affect you**

The scheduling for this work and associated diversion will be as follows:

Date/ Time	Detail of work	Diversion
<b>30 August – 01 September from 22:00 – 05:00</b>	Eastbound resurfacing works	A406 heading eastbound will be fully shut at the junction of A1110 Bowes Road and B1452 Wilmer Way. Directional closure with diversion route via Station Road / Waterfall Road / Cannon Hill / Aldermans Hill and Green Lanes onto the A406.
<b>30 August – 01 September from 22:00 – 05:00</b>	Westbound resurfacing works	Traffic will still be able to travel on the A406 westbound throughout the works. Traffic heading westbound onto the A406 Bowes Road from Wilmer Way will not be able to join the A1110 Bowes Road. Directional closure with diversion route via Cannon Hill and Waterfall Road.

--	--	--

Please be assured we will work to keep noise to a minimum. The majority of noisy works will be completed by 01:00 to reduce disturbance to residents. This is as agreed with Enfield Council. We will make every effort to finish the works on time, although poor weather conditions may mean we need to reschedule at short notice.

We apologise in advance for any inconvenience and thank you for your patience while we complete these improvements. Should you have any questions or concerns about the works, please contact us using the details at the top of this letter or by email: [contactus@tfl.gov.uk](mailto:contactus@tfl.gov.uk).

Yours faithfully

**David Sockett**
