Introduction

1. Section 88P of the School Standards and Framework Act 1998 requires Local Authorities to make an annual report to the adjudicator.
2. The School Admissions Code (the Code) at paragraph 6 sets out the requirements for reports by local authorities. Paragraph 3.23 specifies what must be included as a minimum in the report to the adjudicator and makes provision for the local authority to include any other local issues.
3. There are other matters concerning admissions, some suggested by local authorities, about which it would be useful to have a view. Rather than undertake a separate exercise in which information is sought from local authorities, you are asked to include any relevant information in your report to the adjudicator.

Completing the Template

This template is designed to be completed electronically - boxes will expand as necessary.

Throughout this report, please include middle deemed primary schools as for pupils up to age 11 and middle deemed secondary schools as for pupils over 11. For schools that have children of primary and secondary age and are not designated as a middle school please record them as all-through schools.

Where a type of school is given, foundation covers foundation schools and foundation schools with a foundation (trust schools). Academy schools should be recorded by the individual type of academy school, namely, academy, free school, UTC or studio school.

1. Local Authority school numbers

Please give the total number of schools by type within your local authority as at 30 June 2015.

Type of School	Number of Schools for pupils up to age 11	Number of Schools for pupils over age 11	Number of all-through schools
Community	47	6	1
Voluntary Controlled	0	0	0
Voluntary Aided	19	4	0
Foundation	0	1	0
Academy	1	6	1
Free School	4	1	1
UTC	N/A	0	0
Studio School	N/A	0	0

2. Admission Arrangements for Admissions in September 2015

The Code at paragraph 3.23 requires that each local authority must report on how well the admission arrangements for state-funded schools (of all types) in its local authority area serve the interests of the groups of children listed below.

Please include details of:

1. Any ways in which the each of the following groups of children have been especially well served; and
2. Any difficulties that have arisen for each group of children while allocating places for admission in September 2015.

(a) How well are the interests of **looked after children** served?

Tick as appropriate: Fully In part Not satisfactorily

Comments: Appropriate priority has been given to all LAC applicants. The LA is continuing to experience an increase in the number of LAC children with additional needs and often challenging behaviour being placed in Enfield by other authorities often with no or little notice.

(b) How well are the interests of **previously looked after children** served?

Tick as appropriate: Fully In part Not satisfactorily

Comments: Appropriate priority has been given to all previously LAC applicants.

(c) How well are the interests of **children with disabilities** served?

Tick as appropriate: Fully In part Not satisfactorily

Comments: Our arrangements comply with national regulations. Where it can be demonstrated that the preferred school would be the most appropriate school to meet the individual needs, priority is given to children in relation to admission.

(d) How well served are **children who have special educational needs and who have a statement of special needs** that names a school (or an education health and care plan)?

Tick as appropriate: Fully In part Not satisfactorily

Comments: Our arrangements comply with the national regulations. Enfield's

SEN Services Team work closely with schools and parents to ensure that placements are made in a timely and appropriate manner.

(e) How well served are those **children who have special needs, but do not have a statement?**

Tick as appropriate: Fully In part Not satisfactorily

Comments: All schools are expected to be able to meet the needs of the majority of children in Enfield. However, if it can be demonstrated that a particular school would be the most appropriate school to meet the individual needs, priority is given to children under the admissions criteria.

3. Co-ordination of admissions

A) During the normal admissions round

Please assess the effectiveness of co-ordination of primary and secondary admissions for September 2015 in your local authority highlighting any particular strengths in the process and any problems.

Primary

(a) How well has the second year of operating the national offer day for primary places worked compared with when there was no specified national offer day?

Tick as appropriate: Better The same Less well

(i) Any strengths of the new procedure?

Comments: The elimination of multiple offers. This also allows LAs to identify areas where there maybe unexpected pressure on schools places.

(ii) Any problems encountered this year?

Comments: London LAs enable parents to nominate up to six preferences of school. This is not the case with all LAs outside London. This has disadvantaged some children.

Secondary

(b) How well has the operation of national offer day worked for secondary admissions this year?

Tick as appropriate: Better than last year The same

Less well than last year

(i) Any strengths?

Comments: The elimination of multiple offers. This also allows LAs to identify areas where there may be unexpected pressure on schools places.

(ii) Any problems?

Comments: London LAs enable parents to nominate up to six preferences of school. This is not the case with all LAs outside London. This has disadvantaged some children.

(c) If you have any UTCs or studio schools in your area, do you co-ordinate admissions for entry at the relevant year group of entry to these schools?

Tick as appropriate: Yes No N/A

If **YES**, please explain how well the admissions process is working for these schools:

If **NO**, do you have any evidence about how well the admission process is working for individual UTCs or studio schools?

Tick as appropriate: Yes No

If **YES**, please comment:

B) In-year admissions

From September 2013 in-year admissions have not had to be co-ordinated by the local authority.

(a) How many **pupils** have needed a school place because they do not have one or parents have applied for a place as an in-year admission for any other reason between 1 September 2014 and 15 June 2015?

For pupils up to age 11	For pupils over age 11	For Sixth Forms
3309	1275	Delegated to Schools

(b) Does the local authority co-ordinate in-year admissions for any schools in its area?

Tick as appropriate: Yes No

If **YES**, for how many of which schools does it currently co-ordinate in-year admissions?

Type of School	Number of Schools for pupils up to age 11	Number of Schools for pupils over age 11	Number of all-through schools
Community	47	6	1
Voluntary Controlled	0	0	0
Voluntary Aided	19	3	0
Foundation	0	1	0
Academy	0	5	1
Free School	2	1	0
UTC	N/A	0	0
Studio School	N/A	0	0

(c) If you have any information about how many schools parents approach before obtaining a place, please comment?

Comments: No information

(d) How confident are you that the requirements of the Code at paragraph 2.22 for schools to keep the local authority informed in a timely manner about applications and the outcomes are being met?

Tick as appropriate: Very confident Confident Not confident

(e) Across your local authority area how well have in-year admissions worked this year?

Tick as appropriate: Better than last year The same as last year
Less well than last year

(f) Please comment on the effectiveness overall of in-year admission arrangements across all types of schools in your local authority.

Comments: The process would be improved if the LA were responsible for full coordination across schools in our area.

4. Fair Access Protocol

The Code at paragraph 3.9 requires each local authority to have a Fair Access Protocol agreed with the majority of schools in its area. Paragraph 3.11 of the Code requires that all admission authorities must participate in the Fair Access Protocol.

(a) Please confirm that your local authority has a Fair Access Protocol that has been agreed with the majority of schools in your area.

Tick as appropriate: Yes No

If **NO**, please explain:

(b) Although a majority of schools, and perhaps all, will have agreed the Fair Access Protocol, some may not have done so. Please state how many schools have not agreed the Fair Access Protocol.

Type of School	Number of Schools for pupils up to age 11	Number of Schools for pupils over age 11	Number of all-through schools
Community	0	0	0
Voluntary Controlled	0	0	0
Voluntary Aided	0	0	0
Foundation	0	0	0
Academy	0	0	0
Free School	0	0	0
UTC	N/A		
Studio School	N/A		

(c) Where schools did not agree the Fair Access Protocol; please say why they did not agree.

Comments:

(d) (i) Please give your assessment of how well your Fair Access Protocol has worked in the academic year 2014/15 in placing children without a school place in schools in a timely manner.

Tick as appropriate: Very well Mostly well Some difficulties

(ii) What is your general assessment of the working of the protocol compared with last year?

Tick as appropriate: More effective As effective Less effective

(iii) How frequently has the protocol been used to place a child compared with last year?

Tick as appropriate: More frequently Same frequency Less frequently

(e) Have you any examples of particularly effective collaboration and working individual schools? For example, placing children in year 6 of a primary school or years 10 and 11 of a secondary school.

Tick as appropriate: Yes No

Comments: All Enfield Head Teachers are able to attend our Fair Access Meetings which ensures that all colleagues are aware of the challenges facing schools in our area. The LA has continued to commission two bespoke college courses for some Year 10 and 11 learners. A number of schools have also allowed Year 11 students who are new to the borough to join in Year 10

(f) Have you had any specific problems in allocating a place through the protocol? For example, where a school has been reluctant to accept a child.

Tick as appropriate: Yes No

Comments: Our protocol enables schools to ask for further consideration to be given to FAP decisions if there are genuine concerns about their ability to meet the needs to the student. In these cases, an alternative school may be named. Whilst schools are prepared to admit through fair access, there are genuine concerns in relation to Year 6 and Year 11 where the students' levels have to be included in published data. A number of children who are new to Enfield have limited or inconsistent experience of education and this can have a major impact on schools' performance data.

(g) How many children have been admitted to each type of school in the area under the protocol? How many children have been refused admission to a school?

Type of School	Number of children admitted			Number of children refused admission		
	Schools for pupils up to age 11	Schools for pupils over age 11	All-through schools	Schools for pupils up to age 11	Schools for pupils over age 11	All-through schools

Voluntary Controlled						
Voluntary Aided	7	5				
Foundation		3				
Academy		7	6			
Free School						
UTC	N/A			N/A		
Studio School	N/A			N/A		

- (h) If children have not been placed successfully in a school through the protocol, have you used the direction process to provide a place for a child?

Tick as appropriate: Yes No N/A

- (i) If **YES**, how many children have been placed and in which type of school as a result of a direction, including a direction via the EFA on behalf of the Secretary of State or after a referral to the Adjudicator?

Type of School	Number of Schools for pupils up to age 11	Number of Schools for pupils over age 11	Number of all-through schools
Community			
Voluntary Controlled			
Voluntary Aided			
Foundation			
Academy

UTC	N/A		
Studio School	N/A		

- (j) Please add any other relevant information you wish to include in this section concerning Fair Access Protocols.

Comments: There is still a lack of clarity in relation to what information can be gathered in order to make a decision about whether to apply the fair access protocol in relation to certain applicants.

5. Admission Appeals

The Code requires data to be collected about appeals. In order to meet this requirement the DfE will use the latest published Statistical First Release: admission appeals for maintained and academy primary and secondary schools in England.

Taking into account the comments reported in 2014 by some local authorities in response to the invitation to *“add any comments about the appeals process in your area”*, it would be helpful to be able to gather views across all local authorities on the extent to which schools that are their own admission authority continue to use local authority services for appeals.

- (a) Do any own admission authority schools use any of your services as part of the appeals process?

Tick as appropriate: Yes No

- (b) If yes, please indicate the number of schools that use at least some

services

Type of School	Number of Schools for pupils up to age 11	Number of Schools for pupils over age 11	Number of all-through schools
Voluntary Aided	13	1

Academy	4	2	2

6. Other Issues

Paragraph 3.2 says “local authorities **must** refer an objection to the Schools Adjudicator if they are of the view or suspect that the admission arrangements that have been determined by other admission authorities are unlawful”.

(a) How many sets of admission arrangements of schools were queried directly by the local authority with schools that are their own admission authority because they were considered not to comply with the Code?

B. Fraudulent applications

(a) Is there any concern in your local authority about fraudulent applications?

Tick as appropriate: Yes No

(b) Did the local authority make any offers on national offer days that were subsequently withdrawn as a result of a fraudulent application?

Tick as appropriate: Yes No

(c) If **YES**, how many for each type of school?

Community	see below		
Voluntary Controlled			
Voluntary Aided			
Foundation			
Academy			
Free School			
UTC	N/A		
Studio School	N/A		

(d) What action is the LA taking to prevent fraudulent applications?

Comment: So far, Enfield has withdrawn 6 offers of places at secondary transfer and 8 reception year group offers. It is not possible to break this down further.

In addition to our normal checking procedures in relation to applications (direct access to Council Tax records etc), Enfield's Counter Fraud Team will investigate cases where there are concerns about the validity of the application. This year, two areas of the Borough were targeted for more detailed checks including the length of residency at a property.

C. Summer born children

The DfE issued revised guidance in December 2014 "Advice on the admission on summer-born children" for local authorities, school admission authorities and parents ([Link to Guidance](#)). The School Admissions Code at paragraph 2.16 deals with deferred entry and/or part-time attendance for children in the year they reach compulsory school age. Paragraph 2.17, 2.17A and 2.17B refer to the admission of children outside their normal age group.

(a) Do you keep data for any schools on the number of requests from parents who ask that their child is admitted to a class outside their normal age group?

Tick as appropriate: Yes No

(i) For community and voluntary controlled schools: Yes No

(ii) For own admission authority schools: Yes No

If **YES**, please complete the table:

Type of School	How many requests for admission to year R for a child who has reached the normal age for Year 1	How many requests were subsequently agreed?

Community & Voluntary Controlled	3	3
Own Admission Authority	1	1

(b) What reasons, if known, were given for seeking to delay the admission to reception of the child for a full school year?

Comments: Level of readiness for school.

(c) Any other comments the local authority has on the matter of admission of summer born children.

Comments:

D. Pupil, service and early years premium

The 2014 School Admissions Code enables all schools to give priority for admission in 2016 to children eligible for the pupil, service or early years premium (paragraphs 1.39A and 1.39B). If admission authorities wish to introduce such a priority they need to have consulted as required by the Code.

E. Composite prospectus – admission to sixth form

The School Information (England) Regulations 2008, regulation 5 requires the local authority to publish no later than 12 September in the offer year a composite prospectus for primary and secondary schools. Regulation 6 deals with the manner of the publication of the prospectuses and schedule 2 to the regulations details the information to be included in a prospectus.

Schedule 2, paragraph 14 says of what is to be included: *“The determined admission arrangements for the school in relation to each relevant age group at the school (including ages above and below the compulsory school age) and, where the arrangements include a supplementary information form a copy of that form.”*

(a) How were the admission arrangements for admission to the sixth form of schools that admit students new to the school to year 12 included in a composite prospectus for admissions in September 2015?

(i) With the admission arrangements for each school admission to the earlier relevant age group (for example Year 7) for admission?

Tick as appropriate: Yes No

or

(ii) In a separate composite prospectus for the sixth form?

Tick as appropriate: Yes No

or

(iii) Other, please describe how the requirements of the regulations are met.

Comments:

(b) If the requirements of the regulations were not met for admissions in 2015, please give reasons why.

Comments:

F. Admission Forum

(a) Does your local authority still have an admission forum?

Tick as appropriate: Yes No

(b) Has this been continuous or re-instated?

Tick as appropriate: Continuous Re-instated

If **YES**, which groups, (types of schools and other bodies) are represented on the Admission Forum?

Comments:

How often does this forum meet?

Comments:

What do you see as the key benefits arising from this forum?

Comments:

G. Local Authority Issues

Please provide details of any other issues that you would like to raise and comment on that are not already covered in this report.

Comments: Enfield is still of the opinion that LAs should have full responsibility for in year admissions. LAs are best placed to track, monitor and plan provision for children for children who move into their area or wish to change schools.
