

ENFIELD LIBRARIES NEWSLETTER

Our [Reading Well collections](#) have finally arrived and we're pleased to now have books for children! Alongside our updated range of Reading Well material for adults and young people, the new books for our even younger audiences will help make sense of feelings, worries and coping with tough times. The books have been chosen by children, carers, health experts and librarians. They are endorsed by leading health organisations such as NHS England, Mind and the Royal College of GPs. The children's booklist is targeted at Key Stage 2 (age 7-11) and includes a wide range of reading levels to support less confident readers and to encourage children to read together with their siblings and caregivers. The full range of Reading Well books are completely free to borrow and reserve from the majority of Enfield Libraries and can also be downloaded via the [Online Catalogue](#) in eBook format.

The booklist for the [Big Jubilee Read](#) has been announced! The campaign celebrates writing from across the Commonwealth by sharing 70 great reads from Her Majesty Queen Elizabeth II's 70-year reign. With ten books for each of the last seven decades, the initiative will be delivered with public libraries, reading groups, publishers, bookshops, and authors – everyone! It will use the proven power of reading to unite the public around the shared stories that define our social and cultural heritage. See the full booklist at bbc.co.uk/arts and find resources for your reading group at readinggroups.org.
