**Table 3: Agreement**

I am contributing the total sum outlined in table 2 towards the cost of measures to mitigate the likely significant effect of additional residential development through the recreational impact on the Epping Forest Special Area of Conservation (known as the 'SAMMs and SANGs Contribution').

I hereby acknowledge and agree that:

The SAMMs and SANGs contribution has been paid to the London Borough of Enfield Council as a contribution towards mitigating the effect of the proposed development on the Epping Forest Special Area of Conservation in accordance with the Conservation and Habitats of Species Regulations 2017 as amended (known as the Habitats Regulations).

1. I have been informed of the opportunity to complete a unilateral undertaking, in accordance with Section 106 of the Town and Country Planning Act 1990 (as amended) at a cost of £900 plus mitigation, to make the SAMMS and SANGs contribution and I have chosen to make this direct payment as an expeditious alternative to relying upon a unilateral undertaking.
2. Where, following initial payment of the SAMMS and SANGs contribution, the proposal is amended to increase the number of proposed units, which would subsequently necessitate an increase in contributions, I will make an additional payment in advance of the Council issuing planning approval.
3. No refund of the SAMMs and SANGs contribution will be made where a decision has been issued, unless:
  - a. That decision was one of refusal and no appeal has been lodged within the relevant appeal period; or
  - b. The application was altered so as to reduce the number of dwelling units or bedrooms proposed; or
  - c. The application was withdrawn or invalidated prior to a decision having been issued; or
  - d. The permission has expired without being implemented.
4. In respect of any refund, I further acknowledge that:
  - a. A request for a refund needs to be made by email to [s106@enfield.gov.uk](mailto:s106@enfield.gov.uk);
  - b. The administrative fee for both SAMMs and SANGs contributions will be retained by the Council for instances detailed within a, b and d.
  - c. No interest will accrue to be refunded; and
  - d. Where an application is withdrawn:
    - i. The total amount of the refund will be the sum of the SAMMs and SANGs contribution as paid;

Where an application is refused:

- ii. The total amount of the refund will be the sum of the SAMMs and SANGs contribution minus the administrative fees for both contributions.
- iii. No refund will be made until the appeal period has passed without an appeal having been lodged or, in the event of an appeal being lodged that appeal has been dismissed, or in the case of a withdrawn application, 12 months has elapsed since the date of application first being registered as a valid submission.
- d. Where the application was altered so as to reduce the number of dwelling units or bedrooms proposed therefore resulting in a reduced SAMMs and SANGs contribution necessary:
  - i. The total amount of the refund will be the sum of the SAMMs and SANGs contribution originally paid minus the SAMMS and SANGs contribution required for the permitted scheme.

This receipt (once signed) signifies the agreement on behalf of the London Borough of Enfield Council to the terms in which the SAMMs and SANGs contribution is made by the applicant as set out in this form and in accordance with Section 111 of the Local Government Act 1972.
