LONDON BOROUGH OF ENFIELD

Firs Farm Primary School and Highfield Primary School part-time School Street Zone.

Introduction of a part-time school street zone

The Enfield (Prescribed Routes) (School Streets) (No. 3) Traffic Order 2026

Statement of Reasons for making the above-named Order

Background

The Council in July 2023 (key decision No. KD 5610) approved the School Streets Delivery Plan which included the delivery of a school street zone in 2024/25.

A school street is a road outside a school with a temporary restriction on motorised traffic at school drop-off and pick-up times with the objective of making a safer, healthier and more pleasant environment.

Objectives

The School Street aims to:

1. introduce a part-time prohibition of motor vehicles during term-time at the peak drop-off and pick-up times in the locality of:
 - (1) Firs Farm Primary School (PCZ 25) from 8.30am to 9.30am and 3.00pm to 4.00pm.
 - (2) Highfield Primary School (PCZ 27) 8.30am to 9.15am and 2.45pm to 3.45pm.
2. deliver the following improvements in this locality:
 - (1) Reduce overall motor vehicle traffic volumes in the area as a whole and reduce traffic volumes in the School Street area.
 - (2) Promote behaviour change and a modal shift towards walking, cycling and public transport.
 - (3) Deliver improved air quality.
 - (4) Reduce road danger.
 - (5) Preserve motor vehicle access so residents and local businesses can use cars and vans when they need to.

Traffic Order powers

The power to make a traffic order comes from the Road Traffic Regulation Act 1984 (the 1984 Act). For traffic authorities in greater London s.6 applies “for any of the purposes, or with respect to any of the matters, mentioned in Schedule 1” and where it appears to the authority making the Order that it is expedient to make it for the purposes of:

- s.1(1)(a) for avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, or
- s.1(1)(c) for facilitating the passage on the road or any other road of any class of traffic (including pedestrians), or
- s.1(1)(d) for preventing the use of the road by vehicular traffic of a kind which, or its use by vehicular traffic in a manner which, is unsuitable having regard to the existing character of the road or adjoining property, and
- s.1(1)(f) for preserving or improving the amenities of the area through which the road runs, and
- s.122(2)(b) the effect on the amenities of any locality affected and (without prejudice to the generality of this paragraph) the importance of regulating and restricting the use of roads by heavy commercial vehicles, so as to preserve or improve the amenities of the areas through which the roads run, and
- s.122(2)(d) any other matters appearing to the local authority to be relevant.
