

# E-TIPSS DASHBOARD

**Priority 1:** E-TIPSS is a sustainable Enfield wide partnership programme. This will be well-publicised and sustained by E-TIPSS Champions who will deliver the programme across schools & settings and through their own teams or services

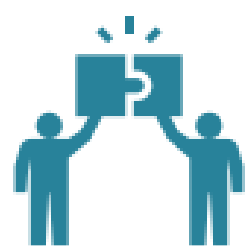

**Priority 2:** E-TIPSS has an appropriate and sustainable training offer which is inclusive of: core training, a full implementation programme, bite-sized and/or bespoke training offers and ongoing opportunities for reflective practice.

**Priority 3:** E-TIPSS has an impact on education outcomes and inclusion for children and young people in Enfield

7

9

Implementation schools

"Learnt more about ACEs and how these unconsciously could be impacting on a child's behaviour."

"I learnt lots about strategies to use to support children."

"I learnt that curiosity is key as opposed to labelling the child."

"ARC model - although I already know and implement some of these things unknowingly it was great to see it in this format."

"This is a game changer for how we support our parents and children"

"I learnt lots about strategies to use to support children."
