Enfield Council is currently consulting residents on the future redevelopment of Joyce and Snell's. As we gradually emerge from the challenges of the COVID-19 situation, we are committed to keeping you informed. We will share information with you through all available routes.

TAKE A LOOK AT OUR NEW WEBSITE!

We have launched a new website for the Joyce and Snell's estate. Please go to joyceandsnells.co.uk to take a look.

Because of the COVID-19 epidemic, Enfield Council has had to change its approach to the consultation about the future of your estate, ensuring that its commitment to listening to your views continues while maintaining the safety of all. The first of these opportunities is our virtual exhibition showing the potential internal layouts of the new homes.

VIRTUAL EXHIBITION: YOUR HOME

We will be holding a Virtual Exhibition on "Your Home" on our new website replacing a planned face-to-face event. On this platform, you will be able to tell us your preferences for your new home including the layout and outdoor space options. We have also enclosed a paper copy of the exhibition material along with a paper feedback form should you be unable to go on-line.

This will be available to view on-line from **Thursday 18th June**. You will also be able to chat live to the team on the website on **Thursday 25th June 6pm till 8pm & Tuesday 30th June from 3pm till 5pm** and have any questions answered. We hope to see you there!

ENFIELD COUNCIL - CORONAVIRUS INFORMATION

This is a challenging time for everyone. We want to help local people to support one another and provide essential services to people who need them.

To find more on how we can help or how Council services are continuing during this time, please visit www.enfield.gov.uk.

This is where you can find information on community support, advice to businesses, and how we can help people through financial hardship or suffering from domestic abuse. You can also read how regular Council services are affected including bin collection, libraries and parking and travel.

Proposed Urban Room funded by Good Growth Fund

REDEVELOPMENT - WHAT HAPPENS NEXT?

Enfield Council have taken the decision to postpone the planned face-to-face consultation events and the Joyce & Snell's estate ballot until we can guarantee residents can participate safely. Instead of the summer, we now hope to hold the ballot in the autumn.

However, we will be holding a series of on-line events so residents can continue to comment on the proposals. Information about the first of these events at joyceandsnells.co.uk is on the front of this newsletter and we will write to you again with details about future events. These will either be hosted online or held at Boundary Hall depending on how the Government advice on social distancing changes in the coming months.

COUNCIL WINS £1.1M GOOD GROWTH FUNDING

On a positive note, we are delighted that Enfield Council has been awarded £1.1m from The Mayor of London's Good Growth Fund to improve local facilities around Angel Edmonton. We will double this, with the funds to be spent on Fore Street providing a new urban room for community engagement, new affordable workspace and new retail space in disused garages.

These improvements mark the beginning of a programme of business support by Enfield Council which will deliver new employment and skills opportunities for all existing residents.

INVESTMENT UNDERWAY IN 2020

Increased Police presence around J&S

Widened pavements on Fore Street

CCTV improvements planned

Extra resources to tackle fly-tipping

SEND US YOUR DETAILS!

We are encouraging all residents on the estate to send your current email address and phone number to joyceandsnells@enfield.gov.uk. Please note that we follow GDPR guidelines and will only use your data in relation to the Joyce and Snell's redevelopment project.

GIVEMYVIEW

We are still running our polls on Your Home and want to hear from you. Please visit <https://www.givemyview.com/joyceandsnells/polls> for details.
