Letter to parents and carers

THIS BOOKLET

This booklet is for parents with a child born between **1 September 2022 and 31 August 2023** (inclusive). It explains how you apply for a place in a nursery class attached to a primary school in Enfield. If it is possible to offer your child a part time place at a nursery, they will start in September 2026.

Some schools may offer up to 30 hours free entitlement. You will need to contact schools directly for further information.

Children who attend a nursery class attached to a school are not guaranteed a place in the reception classes of the same school. All parents have to re-apply for admission for the following year. This is to ensure that parents who do not to send their children to nursery will not be disadvantaged when applying for a school place.

Completing the application

WHAT DOCUMENTS DO I NEED TO SUBMIT WITH MY APPLICATION?

You have to provide documentation to confirm your child's date of birth. This can be scanned or photographed and attached to your online application. You can also include medical letters to confirm any medical condition your child may have or information to confirm that your child is looked after or previously looked after.

The majority of applicants will not have to provide documentary evidence of your address. Please include your council tax reference number in your application. We will then be able to cross reference your details with other internal council databases.

If we are unable to verify your address, for example, if you are not registered for council tax, you will need to provide evidence of your child's home address – for example:

- Recent Council Tax Bill
- Utility bill less than 3 months old
- Driving licence/insurance documents
- Benefit letter ie housing benefit
- Tax credit documentation
- If you are not liable for Council Tax or Utility bills you will need to provide official evidence that you are a resident at the address (for example child benefit letter, tax credit documentation, child's medical card)

You can attach the proofs to your online application once it has been submitted. If you are unable to do this, you can scan the proofs or take a photograph and email them to esas@enfield.gov.uk. Please make sure the documents sent are clearly marked 'Nursery 2026 Admissions'.

When you submit an Enfield application, you are asked to confirm you have read and understood this booklet. You are also confirming the information you have given is accurate and complete and that you understand that if there is false information, the authority has the right to withhold or withdraw the offer of a place.

WHAT IF I MAKE MORE THAN ONE COUNCIL APPLICATION FOR SCHOOLS IN ENFIELD?

Parents should complete only one Council application. You may nominate up to two schools as preferences. If you submit more than one application, the Authority will take the application with the latest date as the valid application and will withdraw any earlier applications. If two or more applications are completed on the same day, the Authority reserves the right to decide which application to accept and which to disqualify.

HOW WILL YOUR APPLICATION BE DEALT WITH?

Your child will be considered for the schools requested. If more applications are received than the number of places available, places will be allocated according to the criteria (rules) listed on page 10.

When considering applications, admission authorities are under a legal duty to follow the arrangements described in the published information. Because of this, we can only consider information relevant to the published criteria. These are listed in priority order.

You will receive an email during the evening of 30 April 2026 advising you of the outcome. You will be asked to accept or decline an offer made within 10 days. **If you do not reply by the date given, the place may be withdrawn and offered to another child.**

If it is not possible to offer your child a place, you will receive a information advising you of this from the Enfield Schools Admission Service. This will give you details about any nurseries with vacancies and invite you to consider whether you would like to apply for one of these vacancies. This is likely to be only a limited number of schools.

How applications are decided

HOW APPLICATIONS ARE DECIDED

We will always try to meet your request by offering a place to your child at the nursery class you named as your highest preference. However, many nursery classes are likely to be oversubscribed. In these cases, places will be given to children who meet the criteria in the order shown.

The process of allocating places will begin after 15 February 2026, once the completed applications have been submitted.

The Admissions Service will prioritise the applications received for each school in accordance with the published admissions arrangements. This briefly includes:

- Considering the medical applications that have been made.
- Verifying that children are siblings, living at the same address and that the older child is expected to still be at the school nominated in September 2026.
- Measuring the distance from the home to the school.

Once all the applications have been considered under the relevant criterion, a proposed admission list is drawn up for each of the schools. We will then begin to co-ordinate the offer of places. Your child will be offered a place at whichever nursery class is the highest preference for which they have qualified under the admissions criteria. Lower preferences are withdrawn at this stage.

LATE APPLICATIONS

It is important to apply during the application period as late applications will be considered only after places have been allocated to the children whose parents applied before the closing date. Nursery class places are in demand and it is unusual to have vacancies once all 'on time' applications have been processed.

After the 15 February 2026 you will still be able to make a late online nursery application through www.eadmissions.org.uk. Supporting documentation to confirm your child's address and date of birth have to be sent to the Admissions Service, it cannot be scanned and attached to the online application **after the closing date**.

The Authority reserves the right to accept late applications, where it considers there are exceptional reasons for the application not being received on time until 28 February 2026. After this date all applications will be late.

NURSERY CLASSES IN ANOTHER LOCAL AUTHORITY (LA)

Children living in Enfield can apply to go to nursery classes in another Local Authority (LA). Parents should contact the relevant LA for information about the arrangements for admissions to nursery classes in their area.

Children who live outside Enfield may apply to a nursery class within this borough by completing the online application. It is important that parents also apply for nursery classes in their own local authority.

Admissions criteria for schools

ADMISSIONS CRITERIA FOR NURSERY CLASSES

The following criteria is used to decide which children should be offered places when there are more children wanting to go to the school than there are places available. If there are fewer applications for a school than there are places available everyone is offered a place. The criteria is in order of priority.

- a) A looked after child or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangement or special guardianship order including those who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who in (a) in the care of a local authority. or (b) being provided with accommodation by a local authority in the exercise of their social services function (see the definition in Section 21 (1) of the Children Act 1989).
- b) Children for whom a particular school is appropriate on exceptional medical grounds. Such applications will be considered under this criterion only if they are supported by an attached written statement from a doctor. This must demonstrate that there is a very specific connection between the child's medical need and the school requested;
- c) Children with a brother or sister who will be attending the school or linked junior school at the time of proposed admission. The children concerned must be living at the same address;
- d) Children whose parent is a member of staff who has been employed at the school concerned for two or more years at the time of application and/or children of a member of staff who has been recruited to fill a vacancy for which there is a demonstrable skill shortage;
- e) Children genuinely resident within the school's designated priority zone;
- f) Children living nearest to the school measured as the crow flies, that is, in a straight line from the child's home to the main entrance of the school. (Travel by private car or public transport is not taken into account).

All distances will be calculated by our admissions IT system using ADDRESS-BASE PREMIUM®. This provides a national grid co-ordinate and a unique reference for each postal address in Great Britain. The grid reference is provided to a resolution of 0.1 metres (10 cm). The accuracy of each ADDRESS-BASE PREMIUM® is such that each point will fall within the addressed building. In the case of a multi-occupancy buildings such as flats where there may only be one address point, priority will be given to the applicants whose door number is the lowest numerically/or alphabetically.

When it is not possible to admit all applicants to a particular school within any criterion, priority for the places available will be measured as the crow flies.

The Local Authority defines siblings as a brother or sister living at the same address on the date when the applicant would be admitted. The term "sibling" means a full, step, half, adopted or fostered brother or sister, but not cousins.

Unfortunately, there have been some cases where parents have been tempted to supply false or inappropriate information to try and get a place at a particular school, for example, by giving the address of a relative instead of the home address. Information supplied by parents is checked. If it is found that false information has been provided and a place has been obtained because of this, the place is likely to be withdrawn. A place can also be withdrawn once a child has started.

This is the admissions criteria for the schools listed on page 5 of this booklet.

**Read the
admissions
criteria (set of rules)
for the school you
are interested in**

Your child's address

ADDRESS

The child's address used in the application must be the child's place of ordinary residence, that is, the address where there is a settled intention by those with parental responsibility to live for the foreseeable future. You must not use a business address, childminders' or relatives' address or any other address other than the child's place of ordinary residence. You must provide proof to support your address and the information will be checked.

The Council do not accept short term accommodation addresses which appear to have been obtained to achieve proximity and therefore priority for admission to a school. In these cases, the Council may require supplementary evidence to support the child's ordinary residence at that address.

If a parent or adult with parental responsibility is found to have knowingly given false information to improve their chances of obtaining a place at a particular school, any offer made on the basis of false information will be withdrawn. If a parent is found to have knowingly given false information to obtain a school place the actions will be investigated with a view to civil or criminal proceedings being taken against them under the Fraud Act 2006 or any other relevant enactment.

CHANGE OF ADDRESS

We can only accept changes of address once they have taken place. Notice for planned future arrangements will not be accepted. Notice of an actual change of address should always be provided to the Enfield Schools Admission Team with the appropriate evidence. For a change of address to be taken into account for your admission applications, it must have occurred before 1st March 2026.

Parents must also notify us of changes of address that occur after this date and provide the relevant documentation to confirm the new address. The information should be emailed to esas@enfield.gov.uk.

If a place is offered on the basis of false information, the place will be withdrawn.

SHARED OR JOINT RESIDENCE

Where a child lives with parents with shared responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be

used for admission to school. If the residence is not split equally between both parents, then the address used will be the address where the child spends most of the school week. If an applicant is unable to provide proofs of address perhaps because they are not, for example, on council tax records or utility bills, the applicant must request the person who is on those records to write to School Admissions to declare their joint residency and responsibility for the child. In some instances, School Admissions may require the adults with responsibility to provide proof of this. Documentation to confirm the arrangement such as a residence order or other court order may be required. If this is not available or the admissions team is not satisfied with this documentation, Enfield Council will consider the address of the parent who is in receipt of Child Benefit or if Child Benefit is not being received, the address at which the child is registered with a doctor (GP). You must therefore send us a copy of your latest benefit entitlement notice or your child's medical card. We may also ask for further evidence if required.

We will only disclose details of a child's application upon receipt of a legal document such as a court order, child arrangements order confirming the shared parental responsibility. We also contact the parent who has submitted the application to make them aware that a request for information about the application has been received and ask for their consent to us giving out the information if necessary.

If your child has been allocated a place and you move before your child's admission, the application for a place may be reconsidered. This may result in the offer of a place being withdrawn if, for example, you move further away from the school.

PLEASE NOTE:

Correspondence from the authority will be addressed to the parents at the address of the child. If parents are separated or divorced, the authority will assume that any application for admission to a school is the result of agreement between both parents. A parent making an application is therefore requested to consult with and obtain the agreement of the other parent before submitting the application for a school place.

Medical

LOOKED AFTER CHILDREN AND PREVIOUSLY LOOKED AFTER CHILDREN

Looked after children who have been adopted or become subject to child arrangements or a special guardianship order immediately after having been looked after. And internationally adopted previously looked after children who were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society. A looked after child is a child who is in the care of an English local authority in accordance with section 22 (a) of the Children Act 1989.

If you are making an application for a child who would come under this criterion, it is important that you attach information from the relevant social Services Department to confirm the legal status of the child.

Important, please see the Key Words section at the end of this booklet for clarification of which children can be considered under this criterion.

MEDICAL

In relation to nursery classes, a small number of children are offered places under this criterion. Medical priority is usually given to children who have an exceptional illness or disability, which means that one school is more appropriate than another.

If you think that your child should be considered under the medical criterion when making your application you must:

- Indicate which nursery class you are asking for your child to be considered for on medical grounds.
- Explain how the nursery class concerned can meet your child's needs better than any other nursery provision.
- Ensure that a suitable professional, for example a consultant, supports your request. This information must be provided with your application. Your request for community schools will be considered by a panel of senior local authority staff. Further advice may be sought at the discretion of the Director of Education. For all other schools the decision will be taken by the relevant governing body.

Further information is available on the website at www.enfield.gov.uk/admissions

PLEASE NOTE:

It is not usually possible to give a child priority on medical grounds after the allocations have been completed if medical information was not submitted at the time of application.

Lots of children may have some medical or special needs when they start school but the majority will not need to be given any additional priority of admission. It is still very important though that you tell the school of any medical or special needs your child may have before he or she starts school. For example, you should let the school know if your child has a nut allergy, is diabetic or has received support from the speech and language service.

Notification of decisions

NOTIFICATION OF DECISIONS

If your child can be offered a nursery place and you applied online you will receive an email during the evening of 30 April 2026 advising you of the outcome. A letter will be sent to all parents/carers completing a paper application on 30 April 2026. Parents/carers will be asked to accept or decline the offer of a place within 10 days in order that unwanted nursery places can be reallocated. Children usually stay in a nursery class for the full year. Sometimes, though, a child leaves and it is possible to allocate that place to another child on the school's waiting list. Please see page 15 for further information.

If it is not possible to offer a place at the nursery of your preference you may contact the Enfield Schools Admission Service to see which nursery classes have vacancies so that you can consider applying for any of these.

If your child is offered a nursery class place it is on the understanding that they will attend for either five morning or five afternoon sessions each week. You will need to contact schools directly to find out if they offer 30 hour placements.

MORNING/AFTERNOON SESSIONS

Individual schools are responsible for deciding whether the place allocated is a morning or afternoon session

Nursery class places are not available for less than five half day sessions each week. School nursery classes are only open during the school term.

Special educational needs

CHILDREN AND YOUNG PEOPLE WITH SPECIAL EDUCATIONAL NEEDS AND DISABILITIES

Enfield Council is committed to ensuring that all children with special educational needs and disabilities (SEND) are provided with the opportunity to learn, play and develop alongside their peers within their local community of mainstream schools so they may have similar opportunities and life chances.

Enfield's Local Offer provides information about services and support for families in Enfield with children/young people aged 0-25 years with special educational needs and/or a disability. For more information, please visit www.enfield.gov.uk/SEND

All mainstream schools maintained by Enfield Council have the necessary resources allocated to them specifically to support children with SEND. All schools/settings have a special educational needs coordinator (SENCO) who is responsible for supporting and monitoring children with SEND. Advice and support can be obtained by the school from a range of professionals including educational psychologists, therapists or specialist teachers, when required.

Every school is required to publish their own SEN Information Report on their website, which must:

- make clear to parents how they meet the needs of children with SEN and disabilities
- provide more detailed information about how they identify, assess and make provision for children and young people with SEN and disabilities. This may include additional specialist teaching and support for children and young people with SEN and/or disabilities and how they change the curriculum to support your child's learning needs

Details of how each school supports children with SEND can be provided by the school or viewed on their website.

There are a small number of children with SEND who may require additional support above what a mainstream school can offer. In these cases a statutory assessment of their special educational needs may need to be undertaken in order to determine whether additional resources are required and what these resources should be.

Eligibility for a statutory assessment will be assessed by Enfield Council's Special Education Needs (SEN) Service, in conjunction with professional colleagues. If eligible, the SEN Service will undertake the statutory assessment process. On completion of this process, the child may be issued with an Education, Health and Care Plan (EHCP). This assessment may not always lead to additional resources. It may indicate ways in which the school, college or setting can meet the needs of the child or young person without the need for any special educational provision being resourced.

An EHCP will describe all of a child's special educational needs and the additional resources the child requires over and above the school's own resources. Unless a child has a Proposed or Final EHCP, parents or carers with children who have SEND are required to apply for a place in a nursery class at a community school in Enfield through the coordinated admissions process on the application form provided by the Admissions Service in Enfield.

An EHCP will describe all of a child's special educational needs and the additional resources the child requires over and above the school's own resources. Unless a child has a Proposed or Final EHCP, parents or carers with children who have SEND are required to apply for a school place through the coordinated admissions process on the common application form provided by the local authority where the child is living.

General information

TAKING FAMILY HOLIDAYS DURING TERM TIME

Family holidays should not be taken during term time. Guidance from the DfE (Department for Education), states that amendments to the Education (Pupil Registration) (England) Regulations 2006, which came into force on the 1st September 2013, has removed references to family holiday, extended leave and Headteacher's discretionary 10 days threshold. Headteachers can only authorise a "leave of absence" in "exceptional circumstances". If a Headteacher grants a leave of absence request, it will be for the Headteacher to determine the length of time that the child can be away from school.

SPECIAL NOTICE TO PARENTS

Parents should be mindful that taking a child of statutory school-age on holiday without the school's permissions, or staying longer than agreed, will result in the school marking your child's absence as unauthorised and that you will be breaking the law. This may result in the Education Welfare Service involvement, the issue of a Penalty Notice fine, a criminal record if the case is proven in the magistrates Court and even loss of school place.

RELIGIOUS PREFERENCE

There is no provision in community schools for the particular needs of any religious group. Parents who, because of their religious convictions, wish to withdraw their child from assembly or from Religious Education, need to discuss this with their Headteacher. The religious preferences of parents as they may affect the education of their child, will not be taken into account when considering applications for non-denominational schools.

STATEMENT OF EQUAL OPPORTUNITIES

The London Borough of Enfield believes in equality of opportunity for all its citizens regardless of class, age, colour, creed, religion, gender and sexual orientation. Multi-cultural education is just one of the many aspects in its implementation and accordingly the London Borough of Enfield will treat all its residents on an equal and fair basis.

YOUR INFORMATION AND DATA PROTECTION

The Admissions Service is the coordinator body for the application process for schools and academies and is often the initial contact point for enquiries about school places. We need to collect and share information in order to deliver our services.

This information includes: name of child, date of birth, address, parent/carers full name and address, contact details, Council Tax number, current or previous education provision, supporting documentation, educational background for in year applications, information specific to the admission criteria (eg sibling), country of origin if a new arrival to the country.

We collect this information through an application that is either submitted on line or a hard paper copy. Additional information can be requested by letter, email, telephone or face to face.

As well as using your information to determine a school application, we may also use your information for other legitimate purposes and, where necessary, share this with other Council departments and external bodies.

Reasons for sharing information with the internal and external bodies will be: processing school applications including sharing information with other local authorities and schools, other teams within the Local Authority to verify the information provided so that the admission process can be accurately administered, to fulfil the Council's safeguarding duty, Central government bodies in relation to mandatory data returns, admission appeal panels, the Schools Adjudicator and the Local Government Ombudsman. Information may also be shared with any organisation legitimately investigating allegations of fraud or criminal offences.

SCHOOL YEAR GROUPS

*Key Stage 1 for the National Curriculum also includes those pupils in Reception classes who have reached compulsory school age. The new description does not cover nursery provision.

Are you looking after someone else's child?

If you are caring for a child under the age of 16 (or 18 if disabled) for 28 days or more, and you are not a close relative, this is called a 'private fostering' arrangement.

A close relative is defined as either a grandparent, sibling, aunt or uncle (whether blood relative or by marriage) or a stepparent.

Some examples of private fostering:

- Children sent from abroad to live with other families, or extended family members, in the UK.
- Children whose parents have paid someone to care for them whilst they are away working or studying.
- Unaccompanied minors who are living with friends or strangers.
- Teenagers living with the family of a boyfriend or girlfriend.
- Children who are attending boarding schools and who live with a host family during the holidays.
- Children brought to the UK for adoption.
- Children and young people who have to live away from their own family as a result of parental separation, divorce or arguments at home.

All private fostering arrangements have to be registered with the local authority because local authorities have a duty to safeguard and promote the welfare of all children in their borough, and to ensure that those in private fostering arrangements are safe and secure.

WHAT THE LAW SAYS:

- By law, all private fostering arrangements have to be registered with the local authority where the private foster carer lives.
- If you intend to look after someone else's child for more than 28 days you must inform Enfield Children and Families Social Care at least 6 weeks before the child comes to live with you.
- Where an emergency arrangement has been made you must inform Enfield Children and Families Social Care within 48 hours of the child's arrival.
- It is an offence not to inform your local authority about a private fostering arrangement unless there is a reasonable explanation.

Private fostering is based on parental consent for the duration of the arrangements, and birth parents retain parental responsibility all of the time. Birth parents should inform Enfield Children and Families Social Care of their intention to have someone else look after their child.

Private foster carers become responsible for the day-to-day care of the child they are looking after. They are responsible for carrying out any duties agreed with the parents and must allow a social worker to visit the child being looked after at the carer's home. Birth parents should provide the carer with details of their child's school and health, information about their history, language, religion, interests, dietary needs, hobbies, likes and dislikes etc.

It is a good idea for parents to have a written agreement with the carer so that everyone is clear about how the child should be cared for. This should include consent to medical treatment, educational issues and financial arrangements. It is important that birth parents keep in regular contact with their children and with the carers. If they do not, the child may be considered to have been abandoned.

WHAT ARE THE RESPONSIBILITIES OF ENFIELD CHILDREN AND FAMILIES SOCIAL CARE?

In order to fulfil their duty to safeguard and promote the welfare of all children in their borough, Enfield Children and Families Social Care will:

- Act on information given by parents, carers and anyone else about private fostering arrangements and visit to assess the suitability of the arrangement. This includes making checks on the carer and their home.
- Speak to the child alone and speak to the carer.
- Make regular visits in line with the law to ensure the child remains safe and is well cared for. This is within 1 week of being told about a private fostering arrangement and not more than every 6 weeks after that for the first year.
- Offer advice and support to the birth parents or carers to try to keep the child at home.

If the child is deemed to be at risk of suffering harm or has suffered harm, the child may be removed from the carer by Enfield Children and Families Social Care.

WHO DO I TELL IF I AM INVOLVED IN, OR AWARE OF, A PRIVATE FOSTERING ARRANGEMENT?

If you know of a private fostering arrangement then you must contact Enfield Children and Families Social Care. They will be pleased to hear from you. It is not their intention to disrupt the arrangements you have made, they just need to know about them and check that the child is safe and being properly cared for.

Appendix 2

Academies

Publicly funded independent schools. Admissions are the responsibility of the Governing Body.

Admissions Authority

The admissions authority of a school determines the admissions policy of the school. The admissions authority for community primary schools in Enfield is the London Borough of Enfield and the admissions authority of a voluntary aided school or academy is the Governing Body of the individual school.

Community School

This type of school is funded entirely by the Local Authority. The admissions to the school are controlled by the Local Authority. If the school is oversubscribed the Local Authority's published criteria for admission will be used.

Criteria

The rules used to decide a child's priority for admission to a particular school.

Curriculum

The total programme of planned work and activities of a school to meet its pupils' needs.

Free School

Free schools are non profit-making, all ability, statefunded schools, either in primary or secondary, set up by a wide range of proposers in response to local demand.

Key Stage

A period of study relating to a particular age group. Key Stage 1 covers school years reception and years 1-2, and Key Stage 2 covers school years 3-6.

Looked After Children and previously Looked After Children

A child looked after is a child in the care of a local authority or provided with accommodation by that

authority in accordance with Section 22 of the Children's Act 1989.

An adopted child is defined by section 46 of the Adoption and Children Act 2002 or section 12 of the Adoption Act 1996.

A residence order is defined by section 8 of the Children's Act 1989.

A child arrangement order is defined by section 8 of the Children Act 1989 as amended by section 14 of the Children and Families Act 2014.

A special guardianship order is defined by section 14A of the Children Act 1989.

Internationally adopted previously looked after children who were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.

If the conditions above apply to your child, you must give details in the application and provide a letter from the relevant Local Authority Social Services. This letter must state the following:

- Confirmation that the child is currently 'looked after' or was previously looked after in accordance with the definition provided in the first paragraph of this section.
- If the child was previously 'looked after', then the letter must also confirm the date at which the child ceased to be 'looked after' and the date of the adoption order, residence order, child arrangement order or a special guardianship order which led to the cessation of 'looked after status'.

Any court orders must be accompanied with a letter from Social Services as described above to be considered for this admissions criterion. Please note the letter and

court orders will be forwarded to your preferred schools and/or the council in whose area the school is located.

Mixed Ability Teaching Groups

Children of a wide range of ability taught together as a class: the work of such a group is largely based on individual and group assignments.

Priority Zones

Priority zones are normally areas in which families who ask for admission live some distance away from the school concerned, but who cannot reasonably be offered an alternative community primary school. These zones may vary from year to year.

Sibling

The Local Authority defines siblings as a brother or sister living at the same address on the date when the applicant would be admitted. Sibling priority will only be given where the older sibling will still be attending the school in the September that the younger child joins. The term 'sibling' means a full, step, half, adopted or fostered brother or sister, but not cousins. Proof of the relationship may be requested.

Voluntary Aided School

This is a school which although mainly funded by the Local Authority has admissions decided by the Governing Body. The Governors will apply the published admissions criteria.

At Voluntary Aided schools the Governing Body will employ the School's staff and have primary responsibility for admission arrangements. The School's land and buildings will normally be owned by a charitable foundation. The Governing Body will contribute towards the capital costs of running the school.
