Welcome to the Craig Park Youth & Family Hub

All families need support from time to time to help their babies and children thrive, whether that's from friends, family, volunteers, or professionals.

Craig Park Youth & Family Hub brings together lots of different services for children and families, making it easier for families to get the help they need at the right time. We offer help and support for families, from pregnancy up until age 19, or 25 for young people with special educational needs and disabilities.

Our Youth and Family Hubs provide support for any family, child or young person living in Enfield who needs them. Our doors are open to everyone, ensuring that families get the help and support they need.
