

ADMISSION TO RECEPTION, AUTUMN TERM 2025

Information about waiting lists, appeals and the breakdown of allocations for community schools, academies and free schools in Enfield.

The Local Authority (LA) is responsible for deciding how places are allocated at community primary schools. For academies, free schools and voluntary aided (faith) schools the governors, academy council or trust of the relevant school are responsible for deciding how places should be allocated. When considering applications, the relevant admission authority uses the published admissions criteria to decide which children are offered places.

The admissions criteria for Enfield schools are published in the booklet 'Applying for a Primary School in Enfield' which is available online at www.enfield.gov.uk/admissions. The booklet explains how applications are considered. Information about admission arrangements for schools in other authorities can be obtained from them directly.

Accepting your offer

If you applied online you should accept the school place by logging into your eAdmissions account www.eadmissions.org.uk. You need to do this by 30 April 2025. We advise you accept the place offered even if you wish to pursue higher preference schools.

Waiting Lists

All oversubscribed Enfield schools have waiting lists. Your child's name has automatically been included on the waiting list for any Enfield school(s) that were a higher preference than the school you have been offered.

If you wish to find out your child's position on the waiting list for any of the following schools, you will need to email esas@enfield.gov.uk. Please make sure you include your child's name and date of birth or their application reference number:

Enfield Heights Academy, Hadley Wood, Hazelwood, Highfield, Merryhills, Raglan and Walker.

If you wish to find out the waiting list position for a Faith school, please email the school with your child's details. They will come back to you when they return from the Easter break.

Applying for additional schools

If you want to apply for a different school than the school offered, you will need to complete a PR2 form. This form must be used to apply for all Enfield schools or any schools outside the Borough. Please complete the PR2 form and either scan or take a photograph of the document and email it to esas@enfield.gov.uk by 30 April 2025. No places will be offered from the waiting lists until 8 May 2025 at the earliest.

Appeals

You have the right to appeal against the decision not to offer your child a place at a school of your preference. Your right of appeal is in accordance with the School Standards and Framework Act 1998. Please note that the majority of appeals will be heard in accordance with the class size legislation restrictions.

The appeal form for community schools is available to complete online from the Enfield website <https://www.enfield.gov.uk/services/children-and-education/school-admissions-and-information/admissions-appeals>. Appeal forms for community schools must be returned by **23 May 2025**. You need to contact own admission authority schools directly for appeal forms and further information about their appeal arrangements as their timetables may be different.
