The use of a Building Notice to inform the local authority of building work etc., is restricted to certain building types. Additional information will also be required to accompany your Building Notice depending upon the work proposed. Further information can be found in the attached notes and checklist. This form cannot be used for building control approval applications for higher-risk building work or stage of higher risk building work or for work to existing higher-risk buildings. Applications for building work to higher-risk buildings can be made here.
