

Volunteer with the Enfield Tool Library

We're looking for enthusiastic volunteers to help launch and run Enfield's first Tool Library at Palmers Green Library. If you enjoy working with your hands, supporting your community, and promoting sustainability, this is the perfect opportunity for you!

Whether you're a DIY expert or just curious about tools, we welcome volunteers of all experience levels. You'll be part of a friendly team helping to build a culture of sharing and reduce waste in Enfield.

What You Will Do

- Greet members and help them borrow and return tools
- Maintain and update the tool inventory database
- Inspect and carry out basic maintenance on tools
- Assist with tool donations and community events

Skills Required

- A positive and helpful attitude
- Willingness to learn and take on new tasks
- Basic familiarity with tools is a plus, but not required
- Comfortable using or learning simple digital systems

You'll Love This Role if You:

- Enjoy hands-on work and helping others
- Want to support a greener, more connected Enfield
- Like learning new skills and being part of a team
- Believe in the power of sharing and community action

What's In It for You?

- Meet new people and make a difference locally
- Learn about tool maintenance and library systems
- Gain valuable experience for your CV

- Receive a reference for future job applications
- Be part of an exciting new community initiative

What You Need to Know

- Where? Palmers Green Library
- When? Starting 24th July 2025. Volunteer shifts are flexible—weekly or monthly, depending on your availability.
- What's provided? Training, gloves, and tools. Travel expenses can be reimbursed if needed.
- How to apply? Click the button below to fill out our volunteer form.
