

We have just received your leaflet Future Enfield.

Would like to point out your comments Developing a Local Plan that will stop skyscrapers in inappropriate locations.

Agree on that statement very strongly.

PROPOSED PLAN TO BUILD ON CAR PARK AT COCKFOSTERS STATION.
INAPPROPRIATE LOCATION - DO YOU NOT AGREE?

The Blackhorse Tower is changing into many flats.

We do not need TFLs plans for more flats without car parking. Apparently these renters will not have cars!!

It will change the face and atmosphere of Cockfosters forever.
