Dear Sir/Madam

I write on behalf of the School owner and Principal

Yesterday we belatedly received a copy of the Enfield Local Plan.

Whilst we have not yet had time to study it in detail we would like to register our concern at what appears to be plans for Crews Hill and the London National Park City that covers the land currently occupied by our School, in particular the land occupied by the Senior School which is held on a lease from the Council.

Please could you engage with us regarding your specific plans for this land as we need to understand your medium and long term strategy in so far as it might affect the existence of the School.

We believe passionately that the final Local Plan should safeguard the future of the School.

The School provides Outstanding education to pupils of all ages, including those living in the Borough and our OFSTED outcomes and Academic and Sporting achievements put us in the top 5 Schools nationally.

It contributes significantly to the diversity of the educational offering in Enfield and is integral to the local community.

We look forward to hearing from you as soon as possible

Your sincerely
