

Dear Sir/Madam,

Having read the consultation document I wish to register my objection to the following policies: SP PL 10, pages 80-87, and figure 3.11; policy SP PL9, pages 77-80 and concept plan figure 3.10; policy SA45: land between Camlet Way and Crescent Way, Hadley Wood, page 364; policy SA54, page 374; and policy SA62 page 383 and SP CL4 pages 277-279 all of which propose the use of current green belt land for housing and other purpose. I believe the loss of this green belt would be to the detriment of the Borough of Enfield, its character and history. Whilst I accept the need for more housing I believe the option to build on 'brown field' sites should be more fully explored.

I further object to the tall building policies ref pages 156-160, figure 7.3, figure 7.4 and policy DE6, and SA2 Palace Gardens Shopping Centre, page 321 which in my view would allow unacceptably high buildings further marring the landscape and no doubt adding further traffic congestion to the already gridlocked roads in this area.
