

It is with great sorrow that we learn of the development plans to our Green belt area in Enfield for the future. Our beautiful countryside, Parks, open landscape, farms and equestrian centre, Golf course and Garden centres, fields and scenic views across the boundary – available to young & old, all year round. We have all chosen this area to live and enjoy together but now it will be destroyed if Enfield Council carry out the proposed Local Plans.

We moved from Palmers Green in 1964, gradually enlarging our family home to live closer towards Enfield & the schools plus the Green Belt for the children to have the benefit of the freedom & choice of activities. They now have their own generation but sadly the History & beauty of the country side will not be available if the fields become buildings.
