## LOCAL PLAN

### 1. Dear Sir/Madam

I am writing to object to the following Policies: SP PL10, pages 80-87, and Figure 3.11; Policy SP PL9, pages 77-80 and Concept Plan Figure 3.10; Policy SA45: Land Between Camlet Way and Crescent Way, Hadley Wood, page 364; Policy SA54, page 374; Policy SA62 page 372; and Policy SA62 page 383 and SP CL4 pages 277-279 – all of which propose the designation of Green Belt for housing and other purposes. These sites are part of historic Enfield Chase, which is unique in the southeast and played an important role in the development of Enfield. It is a rare and valuable landscape asset and its loss would cause permanent harm not only to the Green Belt, but also to the very character of the borough.

I cannot believe that destruction of this area is up for consultation. Trent Park is a safe outdoor space, used by schools for cross country and many other charity events, which I am sure will resume once covid is lifted. We used Trent Park as a family and often meet friends in this this area for their wellbeing.

This is not an area to build more high rise homes and flats! Our parks are already full of people in high rise buildings in our parks and many are already to full capacity with people seeking outdoor space for their mental health. Also what will become of the local habitat? Muntjac deer and many species of butterflies will be at risk. We are teaching our students the importance of

respecting our local parks and  
wildlife and conservation and we  
pray our council will show the  
same respect.
